Dear Ed:

The slides which you were kind enough to send me are returned under separate cover. The lecture was well received and I was delighted to have the slide set available.

If you need any more slides on any American subject, please do not hesitate to contact me at any time as I have the facilities to take the slides myself and may have some of the items you wish pictures of.

The extra copies of the November NUMISMATIST have not arrived as yet so I presume you are waiting to assemble the other materials you are returning to me.

Thank you, again, for your wholehearted cooperation.
